Chooch Peel & Stick Tape

Welcome to a new method in building your models! Now you can bond parts in layers! This peel & stick permanent adhesive works on any dry surface. Terrific for installing any flat & smooth surfaces. It's not messy and easy to use. Watch our ongoing Chooch Videos on our website.

Easy to use with these four easy steps!

1. Cut the paper to the size you want.
2. Remove the White Backing, starting at corner
3. Place sticky side on your model.
4. Peel off Yellow Backing and emboss.
